CANDY BAR SALES

We will be participating in a candy bar sale, starting June 1st, 2019. **Four boxes at \$60 per box** are required per family for **full members**. You may choose to do the **buyout of four boxes at \$30 per box** or a combination of the two. For **Introductory members**, the requirement is **two boxes/buyouts**.

A new policy this year will be, at each car show, 2 club boxes of candy must be sold before members sell their own.

All **full member** families are required to volunteer at the North St. Paul car show **two Friday evenings** during the summer to sell candy bars. For **Introductory members**, the requirement is **one Friday evening**.

I agree to fulfill the mandatory volunteer requirements as stated above. I understand and agree that I will be required to sell a minimum of 4(2 if Intro) boxes or the equivalent buyout and to work at two (one if Intro) car shows to sell candy bars. This year there is an advance buyout option for the car show obligation by paying \$100 to the club by the membership renewal deadline, May 31. If this option is not exercised, & the required hours are not fulfilled, I will be invoiced \$150 per family for unfulfilled volunteer hours at the car show

NORTH STAR SKATE SCHOOL HELPERS

We are requiring all MFSC **skaters who are 12 years of age or older** to help out with NSSS group lessons. Skaters will need to do **15 hours (8 hours for Introductory members)** for the season between the months of June 2019 -May 2020. If your **skater is under 12 years of age, the parent will need to do 8 hours (or 4 hours if Intro)**. This can be done by playing music at junior club or at skate school ice dance, working at skate school events or helping Nikki with paperwork. Each helper will need to attend a training session before they can begin.

Members who have not completed the balance of their required volunteer hours by May 31st 2020, will be billed a volunteer fee of \$150 per skater. I understand and agree that I will be invoiced \$150 per skater for unfulfilled shifts.

RINK MONITORS

We are requiring all MFSC member families to help out by serving as rink monitors for contract ice sessions, similar to the skate school helpers. Families will need to do **15 hours** for the season between the months of June 2019 - May 2020. Families who choose to do an **early buy out on this requirement will pay at a rate of \$10/hour, or \$150 total**. The **early buy out is from June 1 - Sept 1**. After September 1, 2019 the buyout rate for rink monitor will be **\$15 per hour or \$225**.

Interested members may have the opportunity to work **more than the minimum 15 hours** to fill any "buy out" slots available and will receive a **credit of \$7/hour** for each hour worked over 15. Skaters over the age of 15 may also work as rink monitors.

Members who have not completed the balance of their required rink monitor hours by May 31st 2019, and have not chosen to do to the advance \$10/hour buyout, will be billed a volunteer fee of \$15/hour per skater, up to the maximum of \$225 if no hours were completed. I agree to fulfill the mandatory volunteer requirements as stated above. I understand and agree that I will be invoiced \$15 per hour for unfulfilled shifts.

FALL CLASSIC COMPETITION

We are requiring a minimum volunteer effort of **2 shifts per family (plus 1 additional shift for each additional skater) for full members** at the Maplewood Fall Classic Competition, September 13th - 15th, 2019 at the Vadnais Heights Sports Complex. For **Introductory members, the requirement is 1 shift per family (plus 1 additional shift for each additional skater)**. This is a requirement for all members, **regardless if your skater is competing at the competition.**

Members who have not completed the balance of their required volunteer hours by September 16th, will be billed a volunteer fee of \$150 (plus an additional \$50 per additional skater). I agree to fulfill the mandatory volunteer requirements as stated above. I understand and agree that I will be invoiced \$150 (plus \$50 for each additional skater) for unfulfilled shifts.

POLAR CONCESSIONS - (PRE-SPRING SHOW)

The club works the concession stand at Polar Arena in the weeks preceding the Spring Show. We are requiring **each member family to commit to working 2 sessions** in the stand. This is a requirement for all members, **regardless if your skater is participating in the show.**

Members who have not completed the balance of their required volunteer hours by the 2019 Spring Show, will be billed a volunteer fee of \$150. I agree to fulfill the mandatory volunteer requirements as stated above. I understand and agree that I will be invoiced \$150 for unfulfilled shifts.

BUTTERBRAIDS FUNDRAISER

We will be participating in a Butterbraids sale. It will be held in early spring 2020, prior to Easter. Each **full member family** will be required to **sell 12 Butterbraids (Introductory 10)**. The **buyout for members not participating is \$96 (Introductory \$80)**. There will be incentives and prizes for the top sellers!

I agree to fulfill the mandatory volunteer requirements as stated above. I understand and agree that I will be required to sell a minimum of 12(10 if Intro) Butterbraids as stated above, and that I will be invoiced \$150 for not participating.

POSSIBLE ADDITIONAL FUNDRAISER

If the board deems necessary, it is possible that an additional fundraiser (to be determined) may be added during the year that would require participation of all club members.

I agree to fulfill the mandatory volunteer requirements as stated above. I understand and agree that I will be invoiced a fee for non-participation (to be determined) (plus \$50 for each additional skater) for unfulfilled shifts.

ASSOCIATE / ADULT / ALUMNI VOLUNTEER INCENTIVE

Associate members and Adult/Alumni members do not have volunteering requirements, but will be eligible for a volunteering incentive. If these members participate in any one of the fundraisers (such as, sell candy bars or work a shift at Fall Classic), they will be **eligible for a partial membership refund of \$20.**

****Note on Outstanding Bills****

For all of the agreed volunteer events listed above, if at anytime the result of non-participation or buying out leads to outstanding bills the following rule shall be placed in effect. This rule shall also be applicable for any outstanding overdue bills due to MFSC in general. **Rule:**

"The skater(s) shall be deemed "not in good standing" with US Figure Skating. This means the skater(s) shall not be allowed to skate on club ice, compete, participate in synchro practice or competitions, skate in the MFSC Spring Show, test with US Figure Skating, renew their US Figure Skating Membership with any club, or participate in any club benefits afforded by their membership until such a time as all outstanding bills are paid in full."

I agree to fulfill the mandatory volunteer requirements as stated above. I understand and agree that unless otherwise specified in these terms, I will be invoiced \$150 per skater per volunteer event for unfulfilled shifts. I agree and understand that nonpayment of these fees and any outstanding bills in general can place the above rule in effect regarding the skater(s) membership status. I agree and understand that by digitally agreeing to this document it shall be considered binding similar to signing a physical copy.

Special Note

The board of governors recognizes that the club has fundraisers and member requirements that possibly other clubs do not have. This is all in an effort to try to keep the **ice costs** per session **as low as possible** for all of our members. The board tries to keep the fundraiser/volunteer obligations to more of a time commitment than a monetary one (unless the member chooses the buyout option).

We hope you understand our reasons for membership requirements.

If you have any questions regarding membership please contact Dave Johnson at djohnson0634@gmail.com or 612-845-1315

CONTRACT / RANDOM ICE - SKATERS RULES & RESPONSIBILITIES

1. At the beginning of the freestyle session, the skater must check in with the Rink Supervisor stating your name and handing in your music. It is your responsibility to find the Rink Supervisor. If you cannot find the Rink Supervisor, please ask your pro or parent to check in the book to find out who is the Rink Supervisor for that session.

2. Generally, music will be played on a first come, first served basis. In the event that the session is full and many skaters wish to play their program music, skaters may only have one CD or track in line at a time, and may not play the same CD or track, or a different CD or track, until all other skaters' music in line has been played.

3. When it is your turn, please be prepared to skate your program. Music will only be stopped and restarted at the discretion of the Rink Supervisor.

a. The Rink Supervisor will announce the skater's name before their program music so other skaters are aware of who is skating their program.

b. When the skater performing their program is announced, the next skater to skate their program is also announced so the skater can put on a sash and be ready.

c. The skater is required to visibly wear the fluorescent colored sash while skating their program.

d. The skater wearing the sash has the right of way.

4. Random ice buyers must pay immediately upon entering the ice. Checks or punch cards only, no cash or credit. \$20.00 (or 4 punches) for a 1 hour Freestyle session, \$15.00 (or 3 punches) for a 45 minutes session, or \$27.00 for an Ice Dance session with a lesson (\$20.00 without a lesson). Skaters will be asked to leave the ice if they do not have payment.

5. If a skater's name isn't typed in on the attendance list, that skater may not go on the ice. The Rink Supervisor must write their name in the Random Ice Buyers Journal with a question mark and collect the appropriate fee for that session. These fees will be returned once the contract session is verified. The skater or parent must notify Joyce Schwartz at (612) 325-4665 for the claim

By agreeing to this waiver, as a Parent/Legal Guardian, I have read these rules and responsibilities with the skater(s) and we both understand and agree to the above skater rules and responsibilities.
