**REGISTER:** Online at [www.mfscskate.org](http://www.mfscskate.org) - click on skate school

**PLEASE** read New COVID NSSS Procedures for changes during COVID time and new restrictions for classes and arena details regarding entering, exiting and spectators.

### WHAT DO SKATERS NEED?

- We recommend all young snowplow beginners wear helmets. Bicycle helmets or lightweight hockey helmets are acceptable. NSSS does not have helmets available.
- Figure skates or Hockey skates - no double blade skates. Please make sure your skates fit properly and the blades are sharp.
- Skaters should wear warm, comfortable clothing. We suggest they dress in layers so jackets or sweaters may be removed as the skaters warm up. Mittens or gloves are a must. No tight jeans, as they restrict movement. Many skaters wear snow pants.

### WHAT CLASS DO I SIGN UP FOR?

All new skaters to the program will be evaluated on the first day based on skating ability given on registration and age. More details regarding class descriptions are available on our website [www.mfscskate.org](http://www.mfscskate.org) Parents are not allowed on the ice.

**We offer classes year round! Check website for registration forms and class schedules.**
